DEBT.COM - CREDIT CARD DEBT RESOLUTION

Americans have \$840 billion in credit card balances they can't pay off. The average cardholder owes nearly \$6,000 – and it keeps climbing. Many of them simply don't have the money to pay off their debt. They need professional advice. Debt.com has helped millions achieve financial freedom. We can help you with the following types of debt:

Personal Loans and Payday Loans

Lines of Credit, Credit Card Debt, Dept. Store Cards

Medical Debts and Private Student Loans in Default

*Each person financial circumstances are unique and individual results will vary based on circumstances, including your ability to provide Community Tax with information that is accurate and timely. We do not guarantee that your tax debts will be lowered by a specific amount or percentage, that your tax debt will be paid off within a specific period of time or guarantee you will qualify for any IRS programs. Penalties and interest will continue to accrue until your tax liability is paid in full to the IRS. Community Tax is a tax resolution firm independent from the IRS. We do not assume tax debt, make monthly payments to creditors or provide tax, bankruptcy, accounting or legal advice. Read and understand all program materials prior to enrollment, including potential adverse impact on credit rating. Not available in all states.
